Other members of that organization include MARTHA SMITH, '53, DOLLY GREEN, '54, DOROTHY REED, and CAROLYN GRAY, '54, who have been selected to sing in the freshmen's trio. BOBBY GATTIS, '50, is scheduled to appear on the varsity basketball team at Texas A&M College at College Station, Texas. Bobby, who played considerably as a freshman, is slated for a promotion. Another former FSIS athlete who is active in collegiate athletics is DAVID KRAILE, '53, a member of the Farmen University hus- basket team in Greenville, South Carolina.

**Bone voyage, Mike**

**BONE VOYAGE, MIKE!**

The portrait of the future was present and the sorrow of the future, too, as the fourth period expired in the Conservators' sweatbox on his departure from campus.

Mike, a sophomore who recently conquered the French has left for Hawaii—where in the Conservators' sweatbox on his departure from campus.

**Planning for the party was**

**Planning for the party was as much fun as the party itself.**

Alumni, teacher, who went on to explain that during the first hour when they planned it, she wrote it down on a piece of paper. There—altogether. The day of the party she sent him to the office. Again, they talked about bringing in the cake. Her talking point was, "I hope I get it over the period is over today."

Guiding the party was a pink cake, decorated with pink borders, pink roses with gold leaves, and the words, "Bon voyage, Mike." Mike brought it in, and the ice cream was served.

IMPACTED they were as Mike was summoned from the office, and then 23 students joined in on the song "You're a jolly good fellow." Despite this song, and for several minutes thereafter, the room was filled with a light smile, and a half-perked, snail-like look, while he said nothing. The cake went uncut, as he seemed not to know what was expected of him except that he brings the cake materials and got the refreshments under way.

Amateur Radio Club Elects Harris Vice President

One of the two newest clubs in FSIS, the Amateur Radio Club was elected and held its first meeting in the College of the ABC. The goal of the club is to help the students get their licenses. Since the club has been organized, two boys Bob Harris, have earned their general class license. Everyone who joins the club includes a transmitter and a receiver.
