

Bruins break records in state track meet

• HOPES were high for another state athletic championship when the Grizzlies traveled to Little Rock May 7 for the state track and field meet, but hopes were not enough. In a close tournament, the Little Rock Tigers downed the Bruins 50-45½.

Even though the Grizzlies ran second, Don DeCamp, Bruin weight man and hurdler, was individual high-point man with a total of 11½ points.

THREE all-high school records were broken and two Big 7 conference records were smashed in this meet which features events for junior high schools and various divisions of senior high schools. Bruin Charles Moss hurled the discus 158'4" to set an all-high school Arkansas record over the old record of 145'4½". His shot put heave surpassed the old conference record of 51'1½" by 6½".

DeCamp not only came in second in the discus throw, but also smashed an all-high school record of :20.3 by running the 180-yard low hurdles in the time of :20.1 to remain the low hurdles champion of Arkansas.

IN THE POLE VAULT division, Ronald Ray topped the previous Big 7 conference record of 11'2" with a vault of 11'6½".

The other record broken was the 440-yard relay which the Little Rock team ran in a time of 43.5 to set a new all-high

school time.

Other results are as follows: 440-yard relay—Fort Smith, third; 120-yard high hurdles—DeCamp, second, and Bob Moore, third; high jump—Moore, tie for first; 220-yard dash—Tommy Bach, second; 100-yard dash—Bach, third; mile relay—Fort Smith, third.

JACK GUNTER represented FSHS at the state tennis tournament held in Pine Bluff May 13. Jack reached the semi-finals but was later defeated by Fred Serrett of Little Rock, the team which won the tournament. Jerry Yarbrough and Jerry Jeffries were defeated in the first round of the doubles matches.

The Grizzly golf team of Larry Campbell and Charles Pitts were defeated in the state golf tournament held May 6 in Texarkana.

Coach 'Ace' Parker resigns from staff

• COACH CLARENCE "ACE" Parker, Grizzly basketball coach of champion teams, has resigned from the FSHS staff, according to announcement last week by Chris D. Corbin, superintendent. Coach Parker has accepted the coaching position at Washington High School in Kansas City, Kansas.

During Coach Parker's term in Big 7 basketball in Arkansas, he has compiled the outstanding record for a five-year period of 106 wins and 34 losses. It was during his second year with the Grizzly basketball team that the team won the state championship, with a season total of 19 wins and 10 losses.

FROM then on, he held a top spot in the Big 7 conference and in the state tournament. He ended his coaching career at FSHS by winning 26 games this year and losing six, plus a regular season conference championship and the state championship.

As yet no one has been named to replace Coach Parker, according to Mr. Corbin.
