AUSTRALIAN PURSUIT RACE. The weather was almost perfect, a crowd that was one of the largest or maybe even the largest viewed one of the most enjoyable nights of racing here at Razorback Speedway. One of the Special events of the evening was an "Australian Pursuit Race," in case you may not know what an Australian Pursuit race is, the cars line up in a single line about 10 feet apart with the fastest cars starting at the back, the object of the race is not to get passed if you do you are out of the race. Those who participated in the race as they were lined up were: #36 Hardie Wood, #91 Harold White; #21 Bill Farmer, #75 Joe Kelly and #6 Tommy Laster. The first place winner received $10.00 complements of Bob and Lucy Altes, the second place winner received a lube and grease job from the L.K. Carpenter Grocery and Station. Joe Kelly #75 was the first one out, followed by #36 Hardie Wood, and #21 Bill Farmer, Harold White #91 placed second and Tommy Laster #6 was the winner of first place. Also shown here in this picture is the trophy car that was used last week, and a very unusual car it was. Standing beside the car is the pretty trophy girl, Miss Janice Roller and Stan Perry son of Mr. and Mrs. Fred Perry.

SUPER MODIFIED TROPHY DASH ACTION. This is some of the action in the Super Modified trophy dash last week, as Dale Woford #90 and Phil Sangster #96 tried to mix it up a little in front of the stand. They got their wheels locked together & had to pull out on the #1 turn. Russell Shepherd went on to win the trophy dash followed by Joe Ballard #32 and #8 Lee Hull. I believe this is Russell's first trophy win in the Super Modified division this year.

DRIVER OF THE "MISS PEPSI" CARS. Joe Ballard, driver of the Miss Pepsi car is shown here in an action shot taken during the second Super Modified heat. Joe won the second heat followed by Russell Shepherd and Dale Wofford. In the other picture, Joe tries on the little Pepsi car for size, sorta remind you of a little boy who has outgrown his toy, does it not? This Pepsi car along with two other ones will be given away in a contest. Joe moved up a notch last week from fourth to third position in point standings picking up 140 points in last weeks races.

The trophy girl this week is Miss Kathy Stork. She is the 17 year old daughter of Mr. and Mrs. Louis Stork.

Bill who drives here each week from Tulsa is making his way to the top in his division.

Wesley Mann #8 from Muskogee, received his roll over trophy from pretty Miss Janice Roller.

Coye Roach #99 receives his second roll over trophy for the season.

Coye has had his share of bad luck this year, but fortunately in neither roll over he was injured.

RACING HAS IT'S UP and DOWNS

Last Saturday night seemed to be a bad night for the Super Modified class of cars, as they had their share of trouble in the first Super Modified heat. Elvin Tennant #27 spun out and hit one of the light poles. Then in the Super Modified consolation #28 Carl Goldsmith and #51 Ray Rainey got together coming into the #4 turn, Bill Street #4 also got into the action with Goldsmith and Rainey. Rainey seemed to be the only one who suffered any visible damage to his car, after a restart, in fact the first lap of the restart Ray spun out again going into the # two turn, and again in the #4 turn, before the race was half over. In the Super Modified trophy Phil Sangster #96 and Dale Wofford #90 got together in front of the stands, locking their wheels together. The Super Modified feature had a little bad luck for Herb Burris, in #88 as he spun out in front of the stands and went into the infield.

Rain-Out – Raincheck

If by chance the weatherman should turn on the rain clouds on our regular Saturday night racing program at Razorback Speedway our fans are assured of getting to see the action.

If the rains come before the race program begins or before the program is half-way completed your tickets will be good for next week's racing program. The make-up races (until school is out) will be re-scheduled at the end of the season. After school is out the make-up races will be run on Wednesday nights.

In the event more than half of the racing program has been presented and rain should stop the remaining portion. This must be honored as a full program as the drivers must be paid for their races.
RAZORBACK ACTION

UPPER LEFT: Bill Street driver of car #4. UPPER RIGHT: Don Schoenfield driver of car #45. Bill Bradley driver of Junior Modified #78 has won the Junior Modified feature here at Razorback for the last three weeks.

This is James Keck who takes care of the concession stand in the pit area. James is the 15 year old son of Lt. Comm. and Mrs. Charles Keck, 205 North 18th. James not only takes care of the concession in the pit area, he is also Mr. Bob Altes's right hand man on Saturday here at the track, getting everything ready for Saturday night like crushing the ice, filling the coffee pots, cleaning the concession stand and mowing the grass. You can see James is a pretty busy boy getting everything ready for your enjoyment.
Twenty nine year old Don Schoenfield driver of car #43 in the Super Modified division. Don has won the Super Modified feature here at Razorback, for the last three weeks.

Don and his wife Maridee have two sons, Dennis and Doug. Don is employed at Whirlpool Engineering Dept. He also has the Schoenfield Cartway next door to K-Mart. Don has been driving stock cars for three years and driving go carts since 1959.

Schoenfield’s car is a Chev., with a 305 cubic inch engine, built by Crankshaft Exchange here in Ft. Smith. Besides being the driver of car #43 Don also built the car. His sponsor is James Medlock Lumber Co. in Mulberry, Ark. Speaking with Don and his sponsor, there might be a possibility they might not be racing in this area next year due to other racing plans.
Good Evening,

I for one certainly enjoyed the races last Saturday night. The weather was perfect as far as rain was concerned. But wasn't it hot. Of course that's the best weather for racing.

Last week as was the previous week the special race was very exciting. Tommy Laster took the ten dollar first prize. Harold White won the second prize. Other special features are planned in the near future such as a Demolition Derby and a Powder Puff Derby. Special features add a little touch on the lighter side to an exciting evening of thrilling races.

If by chance you missed the races on a Saturday night, be sure to pick up a copy of Razorback Speedway News the next week and get a complete recap of every race the previous week in the column written by Joyce Woods.

Enjoy the races and we will see you next week.

Jay Smith

If you can not attend the races be sure and listen to KWIN the feature races will be broadcast each Saturday night from 9:30 until 10:30.
