Good weather, a good crowd, good drivers good cars and good competition all go together to make a good night of racing. I am sure everyone in attendance here last Saturday night enjoyed the fine night of racing. Some of the highlights of the evening was the drivers of the Month awards. They were presented to Bill Bradley, in the Junior Modified division. John Maness in the Hobby Stock division. Don Schoenfeld in the Super Modified division. Bradley and Maness were last months drivers of the month also. These awards are given to the drivers in each division receiving the highest number of points during the month. Bradley accumulated 285 points for the month, Maness, accumulated 247 points and Schoenfeld accumulated 615 points for the Month of June. Congratulations to these drivers for a fine job of driving.

HOBBY STOCK FEATURE WINNER: This is Don Milliken winner of the Hobby Stock feature here last Saturday night. Don is the driver of car #9. This was the second feature for Don to win here at Razor back Speedway. The last feature he won was about two weeks ago.

Don is really moving up the ladder in point standings, last week he was in the number eleven position and this week he is in the number five position. Last week Don won a heat race, placed second in the trophy dash and won the feature giving him a total of 135 points for the nights events.
The Junior Modified driver for this week is thirty-four old Joe Linam. Joe is the driver of car #44. Joe and his wife Corinne have two children, Beth and Debbie. Joe was born in South Arkansas, now making his home in Fort Smith.

This is the second year for Joe to drive last year he drove the L & M Pill. Joe’s sponsor is L.K. Carpenter Gulf Station in Cavanaugh, his mechanic is Mike Biggs. Joe’s car is a ’33 Ford, it has three owners, Joe Linam, Jim Linam and Charlie Bell. Joe is a member of the Fort Smith Racing Association. His brother Jim drives car #44 at Sooner Speedway at Sallisaw. Joe is the pastor of the Cavanaugh Methodist Church. Joe hasn’t won any trophies, but if everyone enjoyed racing as much as Joe there would be a lot more cars and drivers in competition here at Razorback.

A new driver and car to Razorback Speedway last week is car #41 driver by Harold Pickard from Muskogee, Oklahoma. Some of you fans may remember Harold from 1966 as he competed here at Razorback in 1966. Harold won the consolation here last Saturday night, we like to see these new cars and drivers, as the more cars and drivers we have the better the competition is, and that is what we all like to see is close competition.

Rain-Out - Raincheck

If by chance the weatherman should turn on the rain clouds on our regular Saturday night racing program at Razorback Speedway our fans are assured of getting to see the action.

If the rains come before the race program begins or before the program is half-way completed your tickets will be good for next week's racing program. The make-up races (until school is out) will be re-scheduled at the end of the season. After school is out the make-up races will be run on Wednesday nights.

In the event more than half of the racing program has been presented and rain should stop the remaining portion. This must be honored as a full program as the drivers must be paid for their races.

Butch had some bad luck in the feature last week, as he came around the #4 turn he lost a wheel, Butch made it to the front of the stands before he stopped, but the tire managed to go between the #1 and #2 turns before it stopped.
fourth. Barling’s John Maness #68 earned a trophy and a kiss from the trophy girl after winning the trophy dash. #2 Don Milliken came right behind for second, #25 Gerald Ray third and #58 Jim Farmer was fourth. Twelve cars lined up for the Hobby Stock feature and the excitement was really running high. There were several close calls, but luckily none of the drivers were injured. #2 Don Milliken took the checkered flag, followed by #68 John Maness second, #9 Bill Farmer third, #63 Bill Skinner fourth and #16 William Clark, fifth.

Carl Goldsmith in #28 won the first Super Modified heat, #25 Ronnie Hayes second, #96 Phil Sangster third, and #42 Chester Stevens fourth. #4 Bill Street came all the way from Joplin Missouri to win the second Super Modified heat. #32 Joe Ballard in “Miss Pepsi” was a close second, #53 Russell Shepherd third, and #43 Don Schoenfeld fourth. #42 Chester Stevens took the lead in the consolation and went on to take the checkered flag. #90 Dale Wofford was second, #51 Ray Rainey third and #43 Don Schoenfeld fourth. **TROPHY GIRL**

The trophy girl this week is Miss Kathy Love. She is the nineteen year old daughter of Mr. and Mrs. Archie Love, 4216 Virginia Avenue, Fort Smith. Kathy is employed at Midwest Fabrics. She is the fiancee of Kenny Smith driver of car #59.
Joe Ballard piloted #32 "Miss Pepsi" around last Saturday night to receive this nice trophy from pretty Miss Brenda Cool.

Although John Maness received his trophy first from Miss Brenda Cool, something happened to the picture.

This is John and his son John B. Jr. I am sure little John B. gets quite a thrill out of seeing Daddy win.

Bradley wins again, this was the story last week as Miss Brenda Cool presented Bradley with his trophy.
Don Schoenfeld receives his driver of the month plaque from pretty Miss Cool.

John has made it two in a row, as he was last month's driver also.

John Maness seems pleased as he is presented his plaque for driver of the month.

Bill Bradley receiving his driver of the month plaque from Miss Brenda Cool.
Razorback Action

This is some of the events that have taken place within the last two weeks. This top picture is of Don Schoenfeld acting as trophy boy, presenting a trophy to Sharon Gilbert for winning the Powder Puff Race which was held here the Fourth of July.

The next picture is Don Schoenfeld after he received his plaque for being the Super Modified driver for the Month of June. Don is quite a comedian as most of you know, so instead of the trophy girl having to bend down to kiss Don, he just stood up on his car and got his sugar. HOW SWEET IT IS!! RIGHT DON?

This bottom picture is Chester Stevens receiving his roll-over trophy. Chester has been absent from the track for several weeks and this was his first night back after rolling his car #42 on the #2 turn. Chester really came back with an intent to win, as it seemed Chester's car was running better than ever.

SUPER MODIFIED FEATURE WINNER: Here are some happy fellows, this is the pit crew of #90 Dale Wofford. Dale is shaking hands with Jim Chastain who is the Sponsor of #90. In the Fourth of July race car #90 blew an engine here at Razorback and just two nights later, was here winning a feature. I am sure these fellows have a right to be smiling as they probably put in two hard days of working on car #90 in order to get it ready for last Saturday nights action.

#42 in this picture Chester Stevens gave Wofford about the only competition in the feature, but with competition like Chester, who needs anymore.

The action down on the track Saturday night was fast and Thrilling. Competition among the drivers is becoming greater each week, as positions are drawing closer in the point standings. The drivers really kept the fans on edge in the Super Modified feature, as they came down the back stretch four cars abreast. That is what you call putting the ole squeeze on!!

Hats off to John Farley for filling in as Flagman, while Jerry Brightman is on vacation. John is doing a great job here at Razorback Speedway.

The Bloody Red Baron #78 Bill Bradley captured the first Junior Modified heat, he was followed by #58 Gerald Shelby for second, and #44 Joe Linam third. #78 Bradley came around again to take home the trophy in the Junior Modified trophy dash. Gerald Shelby in #58 was right behind for second and #57 Bill Gilbert was third. Bill Bradley made it a clean sweep of the nights races as he received the checkered flag in the Junior Modified feature. Bill Gilbert in #57 was second, #58 Gerald Shelby third, #44 Joe Linam fourth and #80 Ron Taylor fifth.

Lucky number seven was the line-up in the first Hobby Stock heat. #25 Gerald Ray took first honors, as he crossed the finish line first, with #16 William Clark second, and #65 George Wing third. Pt. Smith's Don Milliken in #2 won the second heat and #58 Jim Farmer really battled it out with #68 John Maness for second place. Jim edged across for second, Maness third and #80 Stan Williams fourth. #41 Harold Pickard a newcomer at the track this year. Copped the consolation, followed by #9 Bill Farmer second, Harold White #91 third and #86 Mack Thompson.

CARL GOLDSMITH
The Super Modified driver for this week's race is Carl Goldsmith driver of car #28. Carl is thirty years old, he is married and he and his wife Noami have three children, Kathy, Dana, and Belinda. Carl was born in Ozark, Arkansas and he now makes his home here in Fort Smith.
Carl has been driving for four years, his car is a '54 Chevy, his mechanic is Lowell Person. Carl races at Thunderbird Speedway in Muskogee. Carl doesn't have a sponsor, so if any of you fans are interested in sponsoring a car, Carl would like to have a sponsor.
Carl is beginning to move up in the points standings, as each week he seems to be doing better. He won a heat last week and placed third in the consolation race.

WHITE FORD SALES -- Paris, Arkansas
Good Evening,

Last Saturday night was the latest chapter in the book of fine races this season. A fine crowd was on hand and again the races were exciting.

We had some new faces to win the heats, and of course, some of the usual winners making their presence known, which makes an interesting evening.

You know before anybody realizes that we are entering into the second half of the racing season. Time really flies, doesn't it?

The Fort Smith Racing Association has a new Secretary, a man who earlier this year was a spotter, Mr. Bill Bush. Bill is a very avid racing fan and a fine gentleman. I think he deserves a fine round of applause for doing an excellent job in his new position.

See you next week. Have a good time this evening.
