Rain-Out Raincheck

If by chance the weatherman should turn on the rain clouds on our regular Saturday night racing program at Razorback Speedway our fans are assured of getting to see the action.

If the rains come before the race program begins or before the program is half-way completed your tickets will be good for next week's racing program. The make-up races will be run on Tuesday nights.

In the event more than half of the racing program has been presented and rain should stop the remaining portion. This must be honored as a full program as the drivers must be paid for their races.
