A new record was set here at the Razorback Speedway last week. Not in speed, not in attendance, but in the number of cars entered in the events. There were 52 cars in competition here last Saturday Night. With all these cars it seemed there wasn’t any one race that didn’t keep all of the fans on the edge of their seats during the entire event. There were several accidents but fortunately no one received serious injury.

With the accidents putting cars out of the competition and some having bad luck, we ended up with 15 cars in the Junior Modified feature, 15 cars in the Hobby Stock feature and 14 cars in the Super Modified feature, with each one of these races being filled with chills, thrills, & spills. All in all I would say that everyone who was in attendance should have gotten his or hers money’s worth here last week.
The "Razorback Speedway News" is published each week for the racing fans and the participants. Our intent is to keep you the racing public well informed through feature stories and news articles and also at the same time we want to add to the enjoyment by presenting the rules and regulations which govern the racing events.

RACING RECAP
by JOYCE WOODS

Fifty three cars checked into the pits for one of the biggest nights of racing at Razorback Speedway this year. The fans got their money's worth, with all three classes really turning it on. U.F.O.'s could have flown over, completely unnoticed for all eyes were watching the action on the track. Would you believe there were a few Unidentified Flying Objects on the track??

The first Junior Modified heat ended with #50 Glen Cohea crossing the white line first, #11 Bill Bottoms second, and #44 Joe Linam third. The second heat saw #78 Bill Bradley and #80 Ron Taylor dueling for first place, with Bradley edging across first, Taylor second, and #58 Gerald Shelby, third. #60 Everett Rosebearly from Farmington, Arkansas, won the consolation, #55 Tommy Smith second, and #8 Jim Pence third. #78 Bill Bradley took home the trophy, #58 Gerald Shelby second and #80 Ron Taylor, third. Fifteen cars were in the line-up for the action packed feature. #44 Joe Linam rolled over between the third & fourth turn in the second lap, but escaped unharmed. After a re-start #58 Gerald Shelby was first, #78 Bill Bradley second, and #11 Bill Bottoms third, and #60 Everett Rosebearly fourth.

The track was fast, and the Hobby Stocks were really turning the clay. Jackie Phillips in #3 took the flag for first, Bill Skinner #63 second, and #1 Don Milliken, third. In the second heat #59 Kenny Smith was first, #25 Butch Niemier second, and #58 Jim Farmer third. The consolation was won by #68 John Maness with #92 H.C.Pierce and #0 Charlie Adams third. #65 Bill Skinner was first in the trophy dash, #58 Jim Farmer second and #59 Kenny Smith finished third. The feature sported fifteen cars in the starting line-up. The checkered flag dropped on #3 Jackie Phillips for first, #0 Charlie Adams second, #68 John B.Maness third and #59 Kenny Smith fourth.

Rain-Out—Raincheck

If by chance the weatherman should turn on the rain clouds on our regular Saturday night racing program at Razorback Speedway our fans are assured of getting to see the action.

If the rains come before the race program begins or before the program is half-way completed your tickets will be good for next week's racing program. The make-up races (until school is out) will be re-scheduled at the end of the season. After school is out the make-up races will be run on Wednesday nights.

In the event more than half of the racing program has been presented and rain should stop the remaining portion. This must be honored as a full program as the drivers must be paid for their races.

A new one to the winners circle is Jackie Phillips. Jackie drove his #5 car to the Hobby Stock feature win. Jackie jumped to an early lead and managed to keep that lead through the entire race.

Coye Roach driver of car #99 received this roll-over trophy from pretty trophy girl Rosemary Hartoon.

RACING HAS IT'S
UP and DOWNS

In the Junior Modified feature Joe Linam who drives car #44 had some bad luck. In the second lap of the feature, between the #3 and #4 turns, Joe's car was turned over on its side. Fortunately Joe was not injured, but was taken to the hospital for safety precautions. Joe is one of the most faithful Junior Modified competitors here at Razorback.

Joe is a Methodist Minister, he is pastor of the Cavanaugh Methodist Church here in Fort Smith. Joe says he always keeps one sermon taped just in case something does happen. I'm sure I can say along with all you fans, that we hope the tape never gets used.

This is some of the Hobby Stock cars that were in competition here last week. There were seventeen cars in the Hobby Stock division that checked in, in the pits last week. Fifteen of these seventeen cars were in the starting line-up of the Hobby Stock feature, which was one of the high lights of the evenings racing program.
Ray Rainey driver of car #51 took home the money for winning the Super Modified feature. Ray drives down each week from Muskogee, Oklahoma. Ray's wife, their two children and Ray's Mother are four of his most vivid fans. Ray is quite a favorite around here also, and has a lot of fans cheering him on to victory each week.

Although Ray has had several pretty bad accidents here at Razorback he has always come out of them okay. Although a few times I didn't see how he came out so lucky and still have the nerve to try again. But I guess that what makes racing the sport it is, is to never give up trying.

WHITE FORD SALES -- Paris, Arkansas
Good Evening,

In the neighborhood of 3,000 racing fans jammed into the stands at Razorback Speedway last week to see a record number of 53 cars compete in rugged competition. Cars went into the fences, cars smashed into light poles along the infield, and on one occasion four cars were involved in a minor traffic jam in the home straight away. Junior Modified #44 driven by Joe Linam rolled over but, thankfully, the Fort Smith driver was uninjured.

Last week as in previous weeks, and what seems to be the pattern this year, no one driver has dominated any one division, of course, this makes the racing even more exciting. I know it is a thrill for us all to see a driver finish far back 1 week and the next week bring home a winner.

We would like to mention the fact that advance tickets are available throughout the week at several business firms which are listed in your program. It might save you a long wait in line on race night. This is just one of the things that so many people are doing to make racing more enjoyable for you and I.

Thank you for coming out this evening, have a good time and we will see you next week.
