Excitement was running pretty high here at Razorback Speedway last Saturday night. Seems as though the Hobby Stockers were destined to have almost all the bad luck. The action started in the first Hobby Stock heat as Wesley Mann in car #8 flipped end over end on the back straight-a-way. Fortunately Wes escaped serious injury. Wes who is from Muskogee seems to be having a spell of bad luck. Week before last he was in competition in the Hobby Stock feature in Muskogee when another car (30 driven by Dr. Virgil Matthews) flipped over between the #1 and #2 turn hitting Wesleys car. We hope the future races hold better luck for Wesley.

I don't believe I have ever seen such a spell bound crowd here at Razorback Speedway as there was last Saturday night when Glen Goolsby lost control of his Junior Mosified #8 on the #2 turn and went charging into the pits. I'm sure I can say for all the fans as well as myself, it seemed that the word would never come over the P A system as to what had happened in the pits. When the word finally came, as to what had happened in the pits, Jim Farmer, driver of #58 was the only one who was injured, and when you think of all the people who could have been injured, it sorta makes your blood run cold, doesn't it?

JUNIOR MODIFIED ACTION: These are some of the Junior Modified cars that you will find in competition here at Razorback Speedway each week. There are more Junior Modified drivers and cars listed in the point standings than in any other division. The Junior Modified cars you see here and their drivers are: #17 Joel Gilbert and #37 Bill Gilbert.

Some people think the Junior Modified cars are just junkers, but believe me they are not, they have to be built to certain specifications as any other division. As for driving a Junior Modified it takes as much intestinal fortitude to get behind the wheel of a Junior Modified car as it takes any other car.

CAPT. RANDELL EWING & SGT. HAROLD THOMAS

These are two of the smiling faces that greet you each week as you come in the gates here at Razorback. Capt. Ewing is at the front gate taking tickets and seeing that law and order are carried on in the spectator area. Sgt. Thomas works in the pit area, he is the one that puts the pit passes on the fellows as they check in at the back gate. He also sees that everyone in the pit area has on a pit pass. Captain Ewing and Sgt. Thomas we Salute you for the fine job you are doing each week here at Razorback Speedway.

RAZORBACK SPEEDWAY OFFICIAL BOMB LIGHTER.

This is the comedian of the Razorback Speedway, Lee Hull. Lee has had the official title here at Razorback (for the last three years) of setting off the big bomb you hear every week following our National Anthem. Lee has to be fast on foot for some of these bombs have very short fuses, don't they Lee?? By looking at this picture, it looks as if Lee might be having a little difficulty getting away from this one. Lee is one of the fans favorite drivers here at Razorback.

The grandstands were packed with 3,000 real cool fans Saturday night, as the temperature dropped down in the low fifties. But the track was hotter than the 4th of July. In the first Hobby Stock heat the drivers were really turning it on when #8 Wes Mann became air-borne on the back stretch. He flipped end over end, right over the top of another car. Luckily Wes escaped the roll over uninjured. Would you believe that the C.A.P. will be asking to see some of these drivers pilot's license??

After a re-start in the first Hobby Stock heat, #16 William Clark was first, #20 driven by Kenneth Smith second, and #65 Bill Skinner third. #80 Stan Williams in the Lido Special won first honors in the second heat, #68 John Maness second and #25 Butch Niemier was third. H.C. Pierce, #92 came under the checkered flag in the consolation, #0 Charles Adams second, and #91 Harold White third. #20 Kenneth Smith took home the trophy and #68 John Maness was right behind for second, and #65 Bill Skinner third. Fourteen cars were in the line-up for the action pack Hobby Stock feature. Fort Smith's Bill Skinner #65, took the checkered flag for first place, #92 H.C. Pierce second, #91 Harold White, third, and #68 John Maness fourth.

The Super Modifieds were out in real style Saturday night, with drivers from Oklahoma, Missouri and Arkansas. #4 Bill Street from Missouri won the first heat with #28 Carl Goldsmith second, and #43 Don Schoenfield third. Muskogee's #51 Ray Rainey came under the flag for the second heat followed by #20 Slayton Durrett second and #90 Dale Wofford third. Russell Shepherd in #53 the Don Grant's Special took the consolation, #8 Lee Hull second and #42 Chester Stevens was third. #43 Don Schoenfield won the trophy dash honors, with #4 Bill Street second and Ray Rainey #51 was

Rain-Out - Raincheck

If by chance the weatherman should turn on the rain clouds on our regular Saturday night racing program at Razorback Speedway our fans are assured of getting to see the action.

If the rains come before the race program begins or before the program is half-way completed your tickets will be good for next week’s racing program. The make-up races (until school is out) will be rescheduled at the end of the season. After school is out the make-up races will be run on Wednesday nights.

In the event more than half of the racing program has been presented and rain should stop the remaining portion. This must be honored as a full program as the drivers must be paid for their races.
RECAP CONTINUED

Once again we to extend you our thanks and hope to see you here at Razorback Speedway next Saturday night.

Be Seeing Ya.

J.W.

THANKS

I would like to take this opportunity to say thanks to everyone for their concern. As most of you know I was injured here last week and a person never knows how many friends he really has until something like this happen. I just want to say "THANKS", for the long distance and local phone calls, all the offers of help.

THANKS AGAIN
Jim Farmer

The trophy girl this week is Miss Mary Renfro. Miss Renfro is 17 years old, a graduate of Central High School. She is the daughter of Mr. and Mrs. Ernest Renfro of Akins, Oklahoma. Mary is studying to be an RN programer in Kansas City Missouri.
Everyone seems to be all smiles as Don Schoenfield received this nice trophy from pretty trophy girl Linda Brumley.

Kenneth Smith driver of car #20 last week received a nice trophy for a job well done.

#20 usually driven by Louis Holland was driven by Ken Smith last Saturday night.

Pretty trophy girl Linda Brumley presents this nice trophy to Bill Bradley winner of the Junior Modified trophy dash.
SUPER MODIFIED FEATURE WINNER: A new face to the winners circle is Bill Street from Missouri. This made Bill's third feature win in a row at different tracks. Bill competes at two other tracks in Missouri.

HOBBY STOCK FEATURE WINNER: Bill Skinner who drives #63 was the winner of the feature here last week. This was Bill's first feature win this year here at Razorback.

JUNIOR MODIFIED FEATURE WINNER: Millard Lewis #6 was the winner of the Junior Modified feature last week. Millard left the track before the photographer could get a picture of him.
RACING HAS IT'S UP and DOWNS

Lady Luck seemed to have smiled on Racing here last week, with all the accidents, no one was seriously injured. It was a pretty breath taking night of racing, here at Razorback. Seems everyone wanted to get in on the action. Wesley Mann started off in the first Hobby heat with a roll over, Phil Sangster #96 in the Super Modified lost a wheel. Glen Goolsby crashed into the pit area hitting and injuring Jim Farmer.

All in All it was quite a night of racing one of the most exciting night of racing since the season started. If the racing program gets better and better each week what will it be by the time the season is over.

RUNNING GOOD—Jim Farmer driver of car #58 was running good when this picture was taken, only to be involved in an accident later on in the races, when Glen Goolsby #8 in the Junior Modified division came crashing into Jim's Hobby Stock car, Jim was not seriously injured, but his car was not so fortunate as it was totaled out by the impact. Jim has had his share of bad luck already this season, when we had play day here at Razorback, Jim managed to tear up his car and now he is back to where he started from.

WHITE FORD SALES -- Paris, Arkansas
Good Evening,

Last week was another exciting week of racing. Each week of racing seems to have more excitement than the week before. We certainly had our share of thrills last week. Everyone's heart skipped a beat or two as Wesley Mann in Hobby Stock #8 did an up and over in the back straight away. Everybody held their breath as Glen Goolsby, who drives Junior Modified, went into the pits and crashed into Jim Farmer (Hobby Stock #58) who, fortunately, was strapped in his car with his helmet on at the time of the mishap. Lady Luck smiled again last week as no one was injured very seriously. It looks as if Number 8 was a very unlucky number last week at Razorback Speedway.

If I may, I would like to say something about some wonderful people who are doing a fine job at Razorback Speedway this year. Al and Alice Horne are doing a superb job this year with their exciting pictures, interesting stories, and timely information about the drivers and racing in general. So this week or next week or sometime this season let Al and Alice Horne know you enjoy their program.

Enjoy yourselves this evening and we will see you next week.
