Chills, Thrills and Spills were on the agenda here at Razorback Speedway last Saturday night as several cars were heavily damaged.

Even with rain threatening, several hundred racing fans were on hand to see what proved to be a very exciting night of racing.

Coye Roach #99 from Muskogee, joined the roll over club for the second time this season. As before Coye escaped injury.

Lady Luck seems to be riding with Coye as well as some of the other drivers. Chester Stevens also joined the roll over club, escaping injury, but Chester's car #42, was heavily damaged.

Plaques were presented to Bill Bradley, John Maness, and Ray Rainey, for being high point drivers for the month of May. Congratulations are in order for these fellows for a job well done.

SUPER MODIFIED ACTION: Robert Lee, #19, and Tom Hiner #87 are both from Muskogee Oklahoma. Robert has been here several times this season, but I believe this was Tommys first time. Most of you will remember Tommy Lasiter who drove here last year. Tom Hiner's car is the one Tommy drove here last year.

Some of the action in the Hobby Stock Class, Chuck Bradley #44 and H.C. Pierce #92. The Hobbies seem to be having their share of bad luck, most of the Roll Over Club members are from the Hobby Stock Class. Coye Roach, #99; Jackie Phillips #3; Wesley Mann #8; and Floyd Weaver #199, all belong to the Roll Over Club.
Saturday night up in the grandstands, were seated about three thousand fans. A very light rain began to fall, when this announcement was made to all. Ole Jay said, "Prepare for a shower", while he sat high and dry in the tower!!

Just kidding you there a little bit Jay. Despite the light shower, Saturday night races were one of the best this season. The weather warmed up, and so did the cars down on the track. The fans were on the edge of their seats, as they watched a little fence bumping, and a couple of roll overs. But due to safety precautions in the cars, and on the track all of the drivers escaped unhurt.

Tulsa's Speedway rained out, so we were glad to have Tom Hiner in his #87 Super Modified at Razorback Speedway. Also welcome back Hobby Stockers #28 Joe Hall, and Danny Leatherman both from Muskogee.

Ron Taylor driving #88 captured the first Junior Modified heat. Behind him were #50 Glen Cohea second, and #37 Bill Gilbert third. #78 Bill Bradley roared across first for the second heat, Millard Lewis #6 second, and #58 Gerald Shelby third. From Farmington, Arkansas #60 Everett Rosebeary won the consolation, #100 Jim O'zment second, and #11 Bill Bottoms third. In the trophy dash, #78 Bill Bradley came across again for first honors, followed by #80 Ron Taylor second and #58 Gerald Shelby third. The Red Baron #78 Bill Bradley took home all the honors, as he took the checkered for first in the Junior Modified feature. #58 Gerald Shelby second, #6 Millard Lewis, third, and #60 Everett Rosebeary fourth.

Muskogee's Joe Hall driving #28 won the first Hobby Stock heat, with #2 Don Mil liken second, and #6 Danny Borovetz third. Muskogee's Danny Leatherman driving #64 came around to win the second heat, (continued)

RACING HAS IT'S

UP and DOWNS

BELIEVE IT OR NOT, when we first started this ups and downs we had no intentions of using it every week, but it seems every week since then there has been something to go on this page.

This week Coye Roach #99 joined the roll over club for the second time this season. Coye really took a spill between the number one and number two turns when he flipped it over and back again. Coye escaped with injury. It looks as though Coye is going to have his work cut out for him.

Joel Gilbert #17 is another one who had his work cut out for him also. Joel ran into the fence on the #2 turn and turned himself completely around damaging the front of his car.

#8 Lee Hull, #90 Dale Wofford and #55 Russell Shepherd are four of the most faithful Super Modified contenders here at Razorback. Russell had a little bad luck last week in the Super Modified feature when he went through the fence between the #1 and #2 turns. I do not know but it seemed last week that between the #1 and #2 turns was a bad place to be as that is where all the action seemed to happen.

WHITE FORD SALES -- Paris, Arkansas
Good Evening,

The weatherman couldn't make up his mind whether to rain or not, but finally gave a good racing evening, weather wise. The races were held up by a slight rain shower for about a half-hour at the off-set.

A very nice crowd was in attendance despite the fact of many conflicting happenings, and of course, the weather.

On the race track things seem to be getting better and better every week. Some very welcome faces were back in attendance after a few weeks absence and certainly made their presence felt. Notability, Joe Hull, Danny Leatherman, and Danny Borovetz in Hobby Stock and Tom Hiner in Super Modified.

We have been asked by the management to inform you in case of threatening weather on Saturday, if you are in doubt about the races being run, listen or call Radio Station KWHN, the official racing station and we will have the information by 2:00 o'clock.

Thanks so much for coming out. Enjoy yourselves and we will see you next week.

Jay Smith

If you can not attend the races be sure and listen to KWHN the feature races will be broadcast each Saturday night from 9:30 until 10:30.
